Attributes

NPC Type

Main

Occupation

Lordess of the Circle of Treachery in Hell.

Ghost

Being forced to take up the throne on her shoulders at barely the cusp of adulthood, all while still processing the likely loss of her love interest, whom had been sent off to war. The resentment from this only grew as she received him home only to find him nearly none unlike the man she'd fallen in mad love with.

Lie

She believes gods have long outgrown their usefulness in this world, and actively - although in silence - seeks a way to rid the world of them.

Character Arc

Positive Arc

The character starts **believing a lie**, they then encounter the truth and overcome the lie and **accept the truth**.

Beliefs

Violence will occur no matter what, with or without prompting. Only a greater form of violence can silence the lesser.

Need

Peace and quiet.

Behaviour

Very regal, refined, and sophisticated. Does everything with class and poise.

Want

She believes she wants more violence - that perhaps the destruction of the gods will bring her the peace she needs.

Stake

Opposition

Herself. To be specific, her power at its current growth is being outpaced by Merihem, but just the fact she believes to be incapable of growing to the power a god possesses.

Strengths

Ambitious Assertive Disciplined Loyal Resilient Strategic

Weaknesses

Impulsive Inflexible Intolerant Overcritical Perfectionist Reactive Rigid

Pronoun

She / Her / Herself
